Attachment 10 Customer ITAR Notification

CUSTOMER ITAR NOTIFICATION LETTER

Dear Customer;

As a customer to Electromech, you may receive defense articles and/or technical data as defined by the International Traffic in Arms Regulations (ITAR) in 22 CFR Sections 120-130. We want to ensure that you are aware of the requirements associated with these regulations. Compliance with these regulations is critical to our successful partnering.

Please be aware that technical data (documentation, software, drawings, specifications, etc.) or hardware, provided to you, is subject to export control laws of the United States Government. Transfer of this technical data or hardware by any means to a non-US person, whether in the United States or another country, without prior written approval from the US Government is strictly prohibited. Technical data and US Person are defined in ITAR Sections 120.10 and 120.15 respectively.

Additionally, in accordance with the Arms Export Control Act and pursuant to ITAR Section 122.1, "Any person who engages in the United States in the business of either manufacturing or exporting of defense articles or furnishing of defense services is required to register with the US Department of State Directorate of Defense Trade Controls (DDTC). Manufacturers who do not engage in exporting must nevertheless register." Information with regard to the registration with the DDTC is available on the World Wide Web at <http://www.pmdtc.org/registration.htm>.

Please acknowledge receipt of this notification of the above requirements by signing this letter below. If you have any questions, please do not hesitate to contact your Electromech representative.
